--	--	--	--	--	--	--	--

- Outdoor Play- allocated all afternoon Friday
- Highlighted activities (orange, blue, purple) are allocated times for activities around school
- Children will arrive in the morning to a whole-group structured activity relating to a subject focus whilst the register is taking place and meds are being signed in. Once the register has been completed, pupils will take part in a structured communication time where they will discuss their evenings, pupils in the class, weather, changes, as well as world news.
- The children are supervised through lunch and all clubs take place inside or outside.
- Due to the complex medical needs of the children, when medical incidents occur this can effect timings, for example seizures and children being sick.
